Independent Auditor's Report

August 2, 2022

To the Board of Directors Greater Ottawa County United Way, Inc. Holland, Michigan

Opinion

We have audited the accompanying financial statements of Greater Ottawa County United Way, Inc. (a nonprofit organization), which comprise the statement of financial position as of March 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Greater Ottawa County United Way, Inc. as of March 31, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Ottawa County United Way, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Ottawa County United Way, Inc's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 Greater Ottawa County United Way, Inc's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Ottawa County United Way, Inc's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on 2022 Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of program expenses on page 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

Hungerford Nichols

The financial statements of Greater Ottawa County United Way as of March 31, 2021 were audited by Ferris, Busscher & Zwiers P.C. who merged with Hungerford Nichols CPAS + Advisors as of May 1, 2022 and they expressed an unmodified audit opinion on those financial statements in their report dated September 23, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

1. Nature of Organization and Summary of Significant Accounting Policies

General

Greater Ottawa County United Way, Inc. is a non-profit organization dedicated to increasing the organized capacity of people to care for one another. Through the Organization's Community Investment program, financial support is provided to approximately sixty member agencies to fund their own programs. These agencies' programs provide basic services (food, clothing, shelter), substance abuse counseling, domestic violence counseling, day care services, in-home care for the elderly, employment assistance for disabled persons, and much more.

The Organization is affiliated with United Way Worldwide and engages in collaborative efforts with other local United Ways. It is important to note that a founding principle of the United Way movement is local autonomy and the value of local citizens making decisions to meet local needs. United Way Worldwide has no governing or legal responsibility of local United Ways, and acts as a coordinating and advisory body.

Fiduciary Responsibilities

The Organization is the fiduciary for several community initiatives, including the Lakeshore Housing Alliance, the Housing Initiative and Housing Next. As part of the fiduciary duties the Organization is responsible for administering nearly one million dollars of grant funding. All revenues and expenses for these programs have been included on the Organization's statements of activities and statements of functional expenses.

The Organization began a fiduciary relationship with Ottawa Community Schools Network during the year ended March 31, 2020 (see note 14). All revenues and expenses for this program has been included on the Organization's statements of activities and statements of functional expenses.

The Organization maintains a fiscal sponsorship with the following programs within the community: Recovery Fest, Ottawa Food, Adult Learning Center, Grand Haven Hispanic Heritage Fiesta and The Gathering. The Organization receives funds on behalf of these projects and pays invoices with the funds received. The Organization has variance power over the funds for these projects and has included the cash asset of each of these programs on the Organization's statements of financial position. All revenues and expenses for these programs have been included on the Organization's statements of activities. The Organization retains a small administration fee for these projects, at the discretion of management.

Basis of Accounting

The Organization prepares its financial statements using the accrual basis of accounting and accounting principles generally accepted in the United States of America.

Net Assets

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting for the nature of the Organization, the environment in which it operates, the purpose specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Net Assets With Donor Restrictions

Net assets with donor restrictions are resources that are restricted by a donor for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the Organization must continue to use the resources in accordance with the donor's instructions. The Organization's unspent contributions are included in this class if the donor limited their use.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Net assets restricted for acquisition of buildings or equipment (or less commonly, the contribution of those assets directly) are reported as net assets with donor restrictions until the specified asset is placed in service by the Organization, unless the donor provides more specific directions about the period of its use.

Cash and Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents, not including money market accounts which are included in investments for financial reporting purposes.

The Organization occasionally maintains deposits in excess of federally insured limits. The risk is managed by maintaining all deposits in high quality financial institutions.

Restricted Cash and Equivalents

The Organization serves as the fiduciary for several initiatives. A portion of the funds received for these initiatives are restricted along with the donor restrictions of other donations received. The Organization has the following restricted funds at March 31:

	202	22	2021
Grand Haven Hispanic Heritage Fiesta	\$ 51	,250 \$	18,477

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are required to be measured at fair value in the statements of financial position.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. The majority of the promises to give are received from a broad base of Allegan and Ottawa County contributors as a result of the annual campaign. An allowance for uncollectible promises is provided based on management's evaluation of the percent of total campaign revenue that will not be collected.

The following is a schedule of unconditional campaign promises to give as of March 31:

	2022	2021
Receivable in less than one year Allowance for uncollectible promises to give, 2021 campaign Allowance for uncollectible promises to give, 2020 campaign Allowance for uncollectible promises to give, 2019 campaign	\$ 1,044,818 (94,336) (100,671)	-
Net unconditional campaign promises to give	<u>\$ 849,811</u>	\$ 794,302
The following is a schedule of unconditional grant promises to give as of March 31:		
	2022	2021
Receivable in less than one year Receivable in one to five years Total unconditional grant promises to give Discounted to present value based on a discount rate of 0%	\$ 75,000 - 75,000 -	\$ 175,000
Net unconditional grant promises to give	\$ 75,000	\$ 250,000

Inventory

The Organization received a donation of various new, non-damaged goods from a retailer. The donated items are recorded at fair value, which is estimated based on the average selling price for merchandise. The Organization plans to distribute these items to individuals and other organizations at no cost. Subsequent to year end, the Organization donated the inventory to other local nonprofits.

Buildings, Leasehold Improvements and Equipment

Buildings, leasehold improvements and equipment are carried at cost and the provision for depreciation is computed on the straight-line method over the estimated useful lives of the assets. Fixed assets that have a useful life over one year are capitalized.

1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Donated Property and Equipment

Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Classification of Transactions

All revenues and net gains are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Revenue Recognition

The Organization has entered into multiple service contracts with customers. Revenue for these contracts is recognized as the performance obligations are met. This occurs over a period of time as services are performed. No revenue is recognized in the current fiscal year for services to be performed after year end as part of the contract.

Donated Materials and Services

The value of donated services included in the financial statements and the corresponding expenses for the years ended March 31 are as follows:

	2022		2021
Advertising Events Office space	\$ 12,000 7,375 17,421	\$ _	32,800 3,036 20,166
Total in-kind contributions	\$ 36,796	<u>\$</u>	56,002

Numerous individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. No amounts have been reflected in the financial statements for these services because they did not meet the criteria for recognition under FASB ASC 958-605-20, nor is a value for these services readily determined.

1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Tax Exempt Status

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, and therefore, is not subject to federal or state income tax.

The Organization evaluates tax positions taken on its federal Exempt Organization Business Income Tax Returns in accordance with accounting principles generally accepted in the United States of America, which require that tax positions taken be more-likely-than-not to be sustained. Management believes that the Organization has no significant unrecognized tax benefits under that criteria. Penalties and interest, if any, assessed by income taxing authorities are included in operating expenses. The Organization's federal Exempt Organization Business Income Tax Returns are generally subject to examination by taxing authorities for three years after they were filed.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

Expense Recognition and Allocation

The cost of providing the Organization's programs and other activities is summarized on a functional basis in the statements of activities and statements of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited using a reasonable allocation method that is consistently applied, as follows:

Payroll and related expenses are allocated based on activity reports generated by the Organization's management.

Occupancy and depreciation are allocated on a square foot basis dependent on the programs and supporting activities occupying the space.

General and administrative expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Organization.

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years. The Organization generally does not conduct its fundraising activities in conjunction with its other activities.

Advertising Costs

The Organization expenses all advertising costs as incurred. Advertising expense was \$109,567 and \$97,931 for the years ended March 31, 2022 and 2021, respectively.

1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Organization's management has evaluated events through August 2, 2022, the date on which the financial statements were available to be issued.

The financial statements include certain prior year summarized comparative information that does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended March 31, 2021, from which the summarized information was derived.

2. Acquisition of Allegan County United Way

Effective January 1, 2021, the Greater Ottawa County United Way, Inc. (GOCUW) acquired the net assets and operations of Allegan County United Way (ACUW) under a Plan of Merger agreement. ACUW ceased operations and corporate existence and transferred all remaining assets and liabilities based upon a certificate of merger filed with the Michigan Secretary of State on February 16, 2021. The intent of the agreement is to improve efficiencies by pooling resources while continuing to serve communities of the greater Ottawa and Allegan counties. No significant adjustments were made to conform to the accounting policies of the organizations. The Organization did not transfer any consideration to Allegan County United Way as part of this transaction. The agreement has characteristics of both a merger and an acquisition as outlined in Statement of Financial Accounting Standards No. 164. GOCUW amended its bylaws and formed a new governing board as part of the Plan of Merger agreement. However, ACUW was dissolved and GOCUW remains as the surviving organization. The activity of ACUW has been rolled into GOCUW operations. Therefore, management has determined that the acquisition method is the appropriate accounting method to record the agreement.

The adjustment to net assets at January 1, 2021 consisted of the following:

Assets	
Cash	\$ 456,325
Receivables, net	205,785
Inventory	157,500
Other current assets	12,068

Total available for general expenditures within one year	<u>\$ 1</u>	<u>,706,535</u>	\$ <u>1,675,967</u>

The above table reflects the Organization's financial assets as of March 31, 2022 and 2021, reduced by amounts not available for general use because of contractual, donor-imposed or time restrictions within one year. The Organization's beneficial interest in assets held by others is investments held with the Grand Haven Area Community Foundation and the Allegan County Community Foundation. The Organization is allowed to withdrawal 4% of a three-year rolling average of the three most recent December 31 fund balances. The Organization may request additional funds above the 4% if funds are needed for a capital expenditure or if the Organization incurs an unexpected loss.

4. Buildings, Leasehold Improvements and Equipment

The capitalized value of buildings, leasehold improvements and equipment, and related accumulated depreciation, at March 31 are as follows:

		2022	2021
Land Building Leasehold improvements Office equipment Total buildings, leasehold improvements and equipment Accumulated depreciation	\$	56,086 257,696 11,425 205,273 530,480 (302,511)	\$ 56,086 257,696 11,425 200,792 525,999 (282,041)

Depreciation expense for the years ended March 31, 2022 and 2021 was \$22,367 and \$20,786, respectively.

5. Beneficial Interest in Assets Held by Others

The following was recorded on the Organization's statements of financial position as of March 31 and is being held at the Grand Haven Area Community Foundation and the Allegan County Community Foundation:

	2022	2021
Volunteer Center Endowment Fund – Ottawa Volunteer Center Designated Fund – Ottawa Volunteer Center Endowment Fund – Allegan United Way Agency Endowment Fund – Allegan	\$ 400,656 27,523 55,643 	\$ 393,569 26,361 53,265 50,304
Total beneficial interest in assets held by others	<u>\$ 536,370</u>	<u>\$ 523,499</u>

The Foundation has legal ownership of these assets and has the right to redirect the return to another beneficiary without the approval of the donor, the Organization, or any other party if distributions to the Organization become unnecessary, impossible, or inconsistent with the needs of the community. All distributions in excess of the annual 4% rolling-balance must be requested by the Organization and approved by the Foundation's board of trustees.

6. Fair Values of Assets

The Organization adopted the Financial Accounting Standards Board's (FASB) standard regarding Fair Value Measurements. The standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Financial assets valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using level 2 inputs are based primarily on quoted prices for similar assets or liabilities in active or inactive markets. Financial assets valued using level 3 inputs are based on pricing models, discounted cash flow methodologies or similar techniques where at least one significant model assumption or input is unobservable. Level 3 financial instruments also include those for which the determination of fair value requires significant management judgment or estimation. Valuation techniques utilized to determine fair values are consistently applied.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at March 31, 2022 and 2021.

Money market and mutual funds: Valued based on quoted net asset values (NAV) of the shares held by the Organization on the last business day of the year.

Beneficial interest: The fair value of our beneficial interest in assets held by the community foundation is based on the fair value of fund investments as reported by the community foundation. These are considered to be Level 3 measurements.

8. Loan Payable, PPP

PPP Loan

On April 17, 2020, the Organization received loan proceeds in the amount of \$232,500 under the Paycheck Protection Program (PPP). Established as part of the Coronavirus Aid, Relief and Economic Security Act (CARES Act), the PPP provides loans to qualifying organizations in amounts up to 2.5 times the organization's average monthly payroll expenses. PPP loans and accrued interest are forgivable after a covered period of 8 to 24 weeks as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities.

Gain on Extinguishment of Debt

The Organization initially recorded a note payable and subsequently recorded forgiveness when the loan obligation was legally released. The Organization recognized \$232,500 of loan forgiveness income for the year ended March 31, 2022.

9. Concentrations

The Organization received corporate and employee pledges from two companies totaling approximately 12% of the gross campaign revenue reported in the 2021 campaign and the 2020 campaign.

10. Leases

The Organization has committed to a two-year extension of their lease agreement for office space in Holland. The two-year extension requires monthly payments of \$2,950. The lease expires December 31, 2023.

The Organization is leasing a copy machine under a four-year lease. The lease requires monthly payments of \$432 and expires December 31, 2024.

The Organization is leasing a postage machine under a month-to-month lease. The lease requires payments of \$172 a quarter plus applicable sales and use taxes.

Total lease expense for the years ended March 31, 2022 and 2021 was \$41,077 and \$40,760 respectively.

Future minimum payments for non-cancelable leases are as follows as of March 31:

2023	\$ 39,984
2024	31,284
2025	3,888

The Organization is the lessor of office space in Allegan to an unrelated not-for-profit organization. The arrangement commenced March 1, 2020 and expires February 28, 2025. The lease requires monthly payments of \$600. The income recognized under this arrangement is \$6,000 and \$1,800 for the years ended March 31, 2022 and 2021.

The Organization leases office space in Holland to an unrelated not-for-profit organization. The arrangement commenced January 1, 2021 and expired December 31, 2021. The lease required monthly payments of \$100. The income under this arrangement is \$800 and \$300 for the years ended March 31, 2022.

Future minimum receipts for non-cancelable leases are as follows as of March 31:

2023	\$ 7,200
2024	7,200
2025	6,600

11. Retirement Plans

The Organization sponsors a 403(b) retirement savings plan for all employees of the Organization except those working less than 1,000 hours annually. Contributions to the plan are based upon 5% of eligible employee wages. The retirement plan contribution was \$80,654 and \$64,393 for the years ended March 31, 2022 and 2021, respectively.

12. Net Assets With Donor Restrictions
